Protect, rescue, adopt, repeat We at Dog Haven believe that every stray dog deserves a chance for living a better life with It is our motto to provide a safe house to every stray. We also believe in providing proper nutrition to our four-pawed friends and do our best to feed as many dogs as possible across Vadodara. Medical attention is also a very important part in the welfare of animals and we look forward to providing them that. We always strive to spread happiness and care among animals and use our privileges to help other souls. We wish that in coming years there should be no animal homeless. Each dog requires special care and attention which is fulfilled in the organization. The application allows the user to adopt a pet, volunteer towards the dog and find a shelter for rescued animal .Since this application is developed for a non-profitable organization, the amount donated will be utilized for the welfare of the dogs.
